Christ is Risen

(Verse)

Let no one caught in sin remain Inside the lie of inward shame
But fix our eyes upon the cross And run to Him who showed great love
And bled for us Freely You've bled for us

(Chorus)

Christ is risen from the dead
Trampling over death by death
Come awake come awake
Come and rise up from the grave
Christ is risen from the dead
We are one with Him again
Come awake come awake
Come and rise up from the grave

(Verse)

Beneath the weight of all our sin You bowed to none but heaven's will
No scheme of hell no scoffer's crown No burden great can hold You down
In strength You reign Forever let Your church proclaim

(Chorus)

(Bridge)

O death where is your sting
O hell where is your victory
O church come stand in the light
The glory of God has defeated the night
Singing O death where is your sting
O hell where is your victory
O church come stand in the light
Our God is not dead He's alive He's alive

(Chorus)

Blessed Be Your Name

(Verse)

Blessed be Your name
In the land that is plentiful
Where Your streams of abundance flow
Blessed be Your name
Blessed be Your name
When I'm found in the desert place
Though I walk through the wilderness
Blessed be Your name

(Pre-Chorus)

Ev'ry blessing You pour out I'll
Turn back to praise
When the darkness closes in Lord
Still I will say

(Chorus)

Blessed be the name of the Lord
Blessed be Your name
Blessed be the name of the Lord
Blessed be Your glorious name

(Verse)

Blessed be Your name
When the sun's shining down on me
When the world's all as it should be
Blessed be Your name
Blessed be Your name
On the road marked with suffering
Though there's pain in the offering
Blessed be Your name

(Pre-Chorus + Chorus)

(Bridge)

You give and take away
You give and take away
My heart will choose to say
Lord blessed be Your name

(Pre-Chorus + Chorus)

What Faith Can Do

(Verse)

Ev'rybody falls sometimes
Gotta find the strength to rise
From the ashes and make a new beginning
Anyone can feel the ache
You think it's more than you can take
But you're stronger stronger than you know
Don't you give up now
The sun will soon be shining
You gotta face the clouds to find the silver lining

(Chorus)

I've seen dreams that move the mountains
Hope that doesn't ever end even when the sky is falling
I've seen miracles just happen
Silent prayers get answered, broken hearts become brand new
That's what faith can do

(Verse)

It doesn't matter what you've heard
Impossible is not a word
It's just a reason for someone not to try
Ev'rybody's scared to death
When they decide to take that step out on the water
But it'll be all right
Life is so much more than what
Your eyes are seeing
You will find your way if you keep believing

(Chorus)

(Bridge)

Overcome the odds
When you don't have a chance
(That's what faith can do)
When the world says you can't
It'll tell you that you can

(Chorus)
