One Day

(Verse)

One day there'll be no more waiting left for our souls
One day there'll be no more children longing for home
One day when the kingdom comes right here where we stand
We will see the promised land
One day there'll be no more lives taken too soon
One day there'll be no more need for a hospital room
One day every tear that falls will be wiped by His hand
We will see the promised land

(Chorus)

Hallelujah There will be healing
From this heartbreak we've been feeling
We'll sing in the darkest night 'Cause we know that the light will come
And there will be healing Hallelujah

(Verse)

One day there'll be no more anger left in our eyes
One day the color of our skin won't cause a divide
One day we'll be family standing hand in hand
And we will see the promised land
We will see the promised land

(Chorus)

(Verse)

One day every knee will bow every tongue will confess
One day when our tired and weary bones find their rest
One day when the power of evil's brought to an end
We will see the promised land

(Chorus)

Worn

(Verse)

I'm tired I'm worn My heart is heavy
From the work it takes To keep on breathing
I've made mistakes I've let my hope fail
My soul feels crushed By the weight of this world

(Pre-Chorus)

And I know that You can give me rest
So I cry out with all that I have left

(Chorus)

Let me see redemption win
Let me know the struggle ends
That You can mend a heart
That's frail and torn
I wanna know a song can rise
From the ashes of a broken life
And all that's dead inside can be reborn
'Cause I'm worn

(Verse)

I know I need To lift my eyes up
But I'm too weak Life just won't let up

(Chorus)

(Bridge)

'Cause I'm worn - My prayers are wearing thin
Yeah I'm worn - Even before the day begins
Yeah I'm worn - I've lost my will to fight
I'm worn - So heaven come and flood my eyes

(Chorus)

(Ending)

'Cause all that's dead inside will be reborn
Though I'm worn
Yeah I'm worn

What Faith Can Do

(Verse)

Ev'rybody falls sometimes
Gotta find the strength to rise
From the ashes and make a new beginning
Anyone can feel the ache
You think it's more than you can take
But you're stronger stronger than you know
Don't you give up now
The sun will soon be shining
You gotta face the clouds to find the silver lining

(Chorus)

I've seen dreams that move the mountains
Hope that doesn't ever end
Even when the sky is falling
I've seen miracles just happen
Silent prayers get answered
Broken hearts become brand new
That's what faith can do

(Verse)

It doesn't matter what you've heard
Impossible is not a word
It's just a reason for someone not to try
Ev'rybody's scared to death
When they decide to take that step out on the water
But it'll be all right
Life is so much more than what
Your eyes are seeing
You will find your way if you keep believing

(Chorus)

(Bridge)

Overcome the odds When you don't have a chance
When the world says you can't It'll tell you that you can

(Ending)

Even if you fall sometimes
You will have the strength to rise
