Start Right Here

(Verse)

We want our coffee in the lobby
We watch our worship on a screen
We got a Rockstar preacher
Who won't wake us from our dreams
We want our blessings in our pockets
We keep our missions overseas
But for the hurting in our cities
Would we even cross the street

(Pre-Chorus)

Huh but we wanna see the heart set free and the tyrants kneel
The walls fall down and our land be healed
But church if we want to see a change in the world out there

(Chorus)

It's got to start right here
It's got to start right now
Lord I'm starting right here
Lord I'm starting right now

(Verse)

I'm like the brother of the prodigal
Who turned his nose and puffed his chest
He didn't run off like his brother
But his soul was just as dead
What if the church on Sunday
Was still the church on Monday too
What if we came down from our towers
And walked a mile in someone's shoes

(Chorus)

Oh, My Dear

(Verse)

I called you up, you were in bed,
could barely make out the words that you said
But you wanted to see me instead,
so I got dressed
So I stepped out into the snow,
and walked for a mile or so
Felt the rush of blood come from the cold,
within my chest
Well, you finally came to the door,
and we talked for an hour or more
Until I asked if you would stay up until four,
and you said that's fine
But you said "theres something I have to say,
and I can just because I am so afraid"
And so I held you as you started to shake,
that night

(Chorus)

Oh, my dear, ill wait for you
Grace tonight will pull us through
Until the tears have left your eyes
Until the fear can sleep at night
Until the demons that you're scared of
Disappear inside
Until the scale begins to crack
And this weight falls from your back
Oh, my dear, ill keep you in my arms tonight

(Verse)

You slowly lifted your head from your hands
You said "I just don't think you'll understand
You'll never look at me that way again
If you knew what I dida"
And so your tears fell and melted the snow
You told me secrets nobody had known
But I never loved you more, even though
Now I know what you did

(Chorus)

Here I Am, Lord

(Verse)

I, the Lord of sea and sky
I have heard my people cry
All who dwell in dark and sin
My hand will save

(Chorus)

Here I am, Lord. Is it I, Lord?
I have heard you calling in the night
I will go, Lord, if you lead me
I will hold your people in my heart

(Verse)

I, who made the stars of night
I will make their darkness bright
Who will bear my light to them?
Whom shall I send?

(Chorus)

(Verse 3)

I, the Lord of snow and rain
I have borne my people's pain
I have wept for love of them
They turn away

(Chorus)

Evidence

(Verse)

All throughout my history
Your faithfulness has walked beside me
The winter storms made way for spring
In every season from where I'm standing

(Chorus)

I see the evidence of Your goodness
All over my life
All over my life
I see Your promises in fulfillment
All over my life
All over my life

(Verse)

Help me remember when I'm weak
Fear may come but fear will leave
You lead my heart to victory
You are my strength and You always will be

(Chorus)

(Bridge)

See the cross the empty grave
The evidence is endless
All my sin rolled away
Because of You oh Jesus

(Chorus)

(Ending)

Why should I fear
The evidence is here
