Start Right Here

(Verse)

We want our coffee in the lobby
We watch our worship on a screen
We got a Rockstar preacher
Who won't wake us from our dreams
We want out blessings in our pockets
We keep our missions overseas
But for the hurting in our cities
Would we even cross the street

(Pre-Chorus)

Huh but we wanna see the heart set free and the tyrants kneel
The walls fall down and our land be healed
But church if we want to see a change in the world out there

(Chorus)

It's got to start right here
It's got to start right now
Lord I'm starting right here
Lord I'm starting right now

(Verse)

I'm like the brother of the prodigal
Who turned his nose and puffed his chest
He didn't run off like his brother
But his soul was just as dead
What if the church on Sunday
Was still the church on Monday too
What if we came down from our towers
And walked a mile in someone's shoes

(Chorus)

Do Something

(Verse)

I woke up this morning saw a world full of trouble now, thought
How'd we ever get so far down, and how's it ever gonna turn around
So I turned my eyes to Heaven
I thought, "God, why don't You do something?"
Well, I just couldn't bear the thought of people living in poverty
Children sold into slavery the thought disgusted me
So, I shook my fist at Heaven
Said, "God, why don't You do something?"
He said, "I did, yeah, I created you"

(Chorus)

If not us, then who
If not me and you
Right now, it's time for us to do something, yeah
If not now, then when
Will we see an end
To all this pain
Oh, it's not enough to do nothing
It's time for us to do something

(Verse)

I'm so tired of talking about how we are God's hands and feet
But it's easier to say than to be live like angels of apathy who tell ourselves
It's alright, "somebody else will do something"
Well, I don't know about you
But I'm sick and tired of life with no desire I don't want a flame, I want a fire and
I wanna be the one who stands up and says
"I'm gonna do something"

(Chorus)

(Bridge)

We are the salt of the earth
We are a city on a hill
We're never gonna change the world
By standing still
No, we won't stand still

(Chorus)

All In

(Verse)

My feet are frozen on this middle ground
The water's warm here but the fire's gone out
I played it safe for so long, the passion left
Turns out safe is just another word for regret

(Pre-Chorus))

So, I step to the edge and I take a deep breath
We're all dying to live but we're all scared to death
And this is the part where my head tells my heart
You should turn back around but there's no turning back now

(Chorus)

I'm going all in head first to the deep end
I hear You calling and this time the fear won't win
I'm going, I'm going all in
I'm all in

(Verse)

I believe that one day I will see Your kingdom come
And I wanna hear You say, "Welcome home My child, well done"

(Pre-Chorus)

(Chorus)

(Bridge)

All to you Jesus, I freely give
As long as there's breath in these lungs I will live
With reckless abandon my heart in Your hands
I surrender it all, I'm going, I'm going all in

(Chorus)

(Ending)

I believe that one day I will see Your kingdom come
And I wanna hear you say, "Welcome home my child, well done"
