## **Christ is Risen**

(Verse)

Let no one caught in sin remain Inside the lie of inward shame  
But fix our eyes upon the cross And run to Him who showed great love  
And bled for us Freely You've bled for us

(Chorus)

Christ is risen from the dead  
Trampling over death by death  
Come awake come awake  
Come and rise up from the grave  
Christ is risen from the dead  
We are one with Him again  
Come awake come awake  
Come and rise up from the grave

(Verse)

Beneath the weight of all our sin You bowed to none but heaven's will  
No scheme of hell no scoffer's crown No burden great can hold You down  
In strength You reign Forever let Your church proclaim

(Chorus)

(Bridge)

O death where is your sting  
O hell where is your victory  
O church come stand in the light  
The glory of God has defeated the night  
Singing O death where is your sting  
O hell where is your victory  
O church come stand in the light  
Our God is not dead He's alive He's alive

(Chorus)

## **We Confess**

(Verse)

Almighty God we confess our sin  
What we have done what we have left undone  
We have not loved You with our whole heart  
We have not loved our neighbors as ourselves

(Chorus)

Have mercy have mercy on us  
Have mercy have mercy

(Verse)

Most gracious God we have lost our way  
Like wand'ring sheep we have gone astray  
We're truly sorry and we turn back  
Now for the sake of Your Son Jesus Christ

(Chorus)

(Ending)

As far as the east is from the west  
So far have I removed your sinfulness  
I carried your guilt and shame upon Myself  
You are forgiven forgiven  
You are forgiven forgiven

## **Strong Enough to Save**

(Verse)

You fought but you were just too weak  
So you lost all the things you tried to keep  
Now you're on your knees  
You're on your knees

(Verse)

But wait everything can change in a moments' time  
You don't have to be afraid  
'Cause fear is just a lie  
Open up your eyes

(Chorus)

(And He'll) break open the skies to save  
Those who cry out His name  
The One the wind and waves obey  
Is strong enough to save you

(Verse)

Look now is not too late lift up your head  
Let the rain fall on your face  
You're not far from grace  
You're not too far from grace

(Chorus)

(Bridge)

I know the weight of this world  
Can take you down like gravity yeah  
I know the current of yourself  
Can take you out out to sea  
But hold on hold on

(Chorus)
