## **I Will Rise**

(Verse)

There's a peace I've come to know  
Though my heart and flesh may fail  
There's an anchor for my soul  
I can say it is well

(Pre-Chorus)

Jesus has overcome  
And the grave is overwhelmed  
The victory is won  
He is risen from the dead

(Chorus)

(And) I will rise when He calls my name  
No more sorrow no more pain  
I will rise on eagle's wings  
Before my God fall on my knees  
And rise I will rise (I will rise)

(Verse)

There's a day that's drawing near  
When this darkness breaks to light  
And the shadows disappear  
And my faith shall be my eyes

(Pre-Chorus + Chorus)

(Bridge)

And I hear the voice of many angels sing  
Worthy is the Lamb  
And I hear the cry of ev'ry longing heart  
Worthy is the Lamb

(Chorus)

## Lead Me

(Verse)

I look around and see my wonderful life Almost perfect from the outside  
In picture frames I see my beautiful wife Always smiling but on the inside  
Oh I can hear her saying

(Chorus)

Lead me with strong hands  
Stand up when I can't  
Don't leave me hungry for love  
Chasing dreams but what about us  
Show me you're willing to fight  
That I'm still the love of your life  
I know we call this our home  
But I still feel alone

(Verse)

I see their faces look in their innocent eyes They're just children from the outside  
I'm working hard I tell myself they'll be fine They're independent but on the inside  
Oh I can hear them saying

(Chorus)

(Bridge)

So Father give me the strength  
To be ev'rything I'm called to be  
Oh Father show me the way to lead them  
Won't You lead me

Chorus 2

To lead them with strong hands  
To stand up when they can't  
Don't want to leave them hungry for love  
Chasing things that I could give up  
I'll show them I'm willing to fight  
And give them the best of my life  
So we can call this our home  
Lead me 'cause I can't do this alone

(Ending)

Father lead me 'cause I can't do this alone

## What Faith Can Do

(Verse)

Ev'rybody falls sometimes  
Gotta find the strength to rise  
From the ashes and make a new beginning  
Anyone can feel the ache  
You think it's more than you can take  
But you're stronger stronger than you know  
Don't you give up now  
The sun will soon be shining  
You gotta face the clouds to find the silver lining

(Chorus)

I've seen dreams that move the mountains  
Hope that doesn't ever end even when the sky is falling  
I've seen miracles just happen  
Silent prayers get answered, broken hearts become brand new  
That's what faith can do

(Verse)

It doesn't matter what you've heard  
Impossible is not a word  
It's just a reason for someone not to try  
Ev'rybody's scared to death  
When they decide to take that step out on the water  
But it'll be all right  
Life is so much more than what  
Your eyes are seeing  
You will find your way if you keep believing

(Chorus)

(Bridge)

Overcome the odds  
When you don't have a chance  
(That's what faith can do)  
When the world says you can't  
It'll tell you that you can

(Chorus)
