**Here For You, (CCLI# 5925649)**

Let our praise be Your welcome  
Let our songs be a sign  
We are here for You  
We are here for You

Let Your breath come from heaven  
Fill our hearts with Your life  
We are here for You  
We are here for You

*(Chorus)*

*To You our hearts are open  
Nothing here is hidden  
You are our one desire  
You alone are holy  
Only You are worthy  
God, let Your fire fall down*

Let our shout be Your anthem  
Your renown fill the skill  
We are here for You  
We are here for You

Let Your Word move in power  
Let what's dead come to life  
We are here for You  
We are here for You

*(Chorus)*

*To You our hearts are open  
Nothing here is hidden  
You are our one desire  
You alone are holy  
Only You are worthy  
God, let Your fire fall down*

We welcome You with praise  
We welcome You with praise

Almighty God of love  
Be welcome in this place  
We welcome You with praise  
We welcome You with praise  
Almighty God of love  
Be welcome in this place

Let every heart adore  
Let every soul awake  
Almighty God of love  
Be welcome in this place

We welcome You with praise  
We welcome You with prase  
Almighty God of love  
Be welcome in this place

*(Chorus)*

*To You our hearts are open  
Nothing here is hidden  
You are our one desire  
You alone are holy  
Only You are worthy  
God, let Your fire fall down*

*(Chorus)*

*To You our hearts are open  
Nothing here is hidden  
You are our one desire  
You alone are holy  
Only You are worthy  
God, let Your fire fall down*

**Mighty to Save. (CCLI# 4591782)**

Everyone needs compassion  
Love that's never failing  
Let mercy fall on me  
Everyone needs forgiveness  
The kindness of a savior  
The hope of nations

*(Chorus)*

*Savior, He can move the mountains  
My God is mighty to save*

*He is mighty to save  
Forever, Author of salvation  
He rose and conquered the grave  
Jesus conquered the grave*

So take me as You find me  
All my fears and failures  
Fill my life again  
I give my life to follow  
Everything i believe in  
Now I surrender

*(Chorus)  
Savior, He can move the mountains  
My God is mighty to save  
He is mighty to save  
Forever, Author of salvation  
He rose and conquered the grave  
Jesus conquered the grave*

Shine Your light and let the whole world see  
We're singing  
For the glory of the risen King  
Jesus  
Shine your light and let the whole world see  
We're singing  
for the glory of the risen King

*(Chorus)  
Savior, He can move the mountains  
My God is mighty to save  
He is mighty to save  
Forever, Author of salvation  
He rose and conquered the grave  
Jesus conquered the grave*

*Savior, He can move the mountains  
My God is mighty to save  
He is mighty to save  
Forever, Author of salvation  
He rose and conquered the grave  
Jesus conquered the grave*

He rose and conquered the grave  
Jesus conquered the grave

**Center, (CCLI# 4665261)**

Oh Christ,  
Be the center of our lives  
Be the place we fix our eyes  
Be the center of our lives

And You're the center of the universe  
Everything was made in You, Jesus  
Breath of every living thing  
Everyone was made for You

You hold everything together  
You hold everything together

*(Chorus)*

*Oh Christ  
Be the center of our lives  
Be the place we fix our eyes  
Be the center of our lives*

*Oh Christ  
Be the center of our lives  
Be the place we fix our eyes  
Be the center of our lives*

We lift our eyes to heaven  
And we wrap our lives around Your life  
We lift our eyes to heaven  
To You

And we lift our eyes to heaven  
And we wrap our lives around Your life  
We lift our eyes to heaven  
To You

*(Chorus)*

*Oh Christ  
Be the center of our lives  
Be the place we fix our eyes  
Be the center of our lives*

*Oh Christ  
Be the center of our lives  
Be the place we fix our eyes  
Be the center of our lives*

And turn your eyes upon Jesus  
Look full in His wonderful face  
And the things of earth will grow strangely dim  
In the light of His glory and grace

**One Day, (CCLI# 7130583)**

One day there'll be no more waiting  
Left for our souls  
One day there'll be no more children  
Longing for home  
One day when the kingdom comes  
Right here where we stand  
We will see the promised land  
Ooh, ooh

One day there'll be no more lives  
Taken too soon  
One day there'll be no more need  
For a hospital room  
One day every tear that falls  
Will be wiped by His hand  
And we will see the promised land  
Ooh, ooh

*(Chorus)  
Hallelujah  
There will be healing  
From this heartbreak we've been feeling  
We'll sing in the darkest night  
'Cause we know that light will come  
There will be healing  
Hallelujah*

One day there'll be no more anger  
Left in our eyes  
One day the color of our skin  
Won't cause a divide  
One day we'll be family standing hand in hand

And we will see the promised land  
We will see the promised land

*(Chorus)*

*Hallelujah*

*There will be healing*

*From this heartbreak we've been feeling*

*We'll sing in the darkest night*

*'Cause we know that light will come*

*There will be healing*

*Hallelujah*

*There will be healing*

*Hallelujah*

One day every knee will bow  
Every tongue will confess  
One day when our tired and weary  
Bones find their rest  
One day when the power of evil's  
Brought to an end  
We will see the promised land  
We will see the promised land

*(Chorus)*

*Hallelujah*

*There will be healing*

*From this heartbreak we've been feeling*

*We'll sing in the darkest night*

*'Cause we know that light will come*

*There will be healing*

*Hallelujah*

*There will be healing*

*Hallelujah*

*There will be healing*

*hallelujah*

**Brother, (CCLI# 7029230)**

Ramblers in the wilderness  
Yeah, we can't find what we need  
We get a little restless from the searching  
Get a little worn down in-between  
Like a bull chasing the matador  
Is a man left to his own schemes

Well everybody needs someone beside them  
Shining like a lighthouse from the sea

*(Chorus)*

*Brother, let me be your shelter  
Never leave you all alone  
I can be the one you call  
When you're low  
Brother, let me be your shelter  
When the night winds are driving on  
Be the one to light the way  
Bring you home*

Face down in the desert now  
There's a cage locked around my heart  
I found a way to drop the keys  
Where my failures were  
Now my hands can't reach that far  
I ain't made for rivalry  
I could never take the world alone  
I know that in my weakness I am strong  
It's Your love that brings me home

*(Chorus)*

*Brother, let me be your shelter  
Never leave you all alone  
I can be the one you call  
When you're low  
Brother, let me be your shelter  
When the night winds are driving on  
Be the one to light the way  
Bring you home*

*Brother, let me be your shelter  
Never leave you all alone  
I can be the one you call  
When you're low  
Brother, let me be your shelter  
When the night winds are driving on  
Be the one to light the way  
Bring you home*
